

LION

We have provided program and printed materials for the required Lion Adventures. In each Adventure section of this document, you will find a list of the activities that will guide you to completing each requirement. If a different activity listed in the Den Meeting resources online meets the needs of your den, then feel free to choose a different activity that helps meet the requirements of the Adventures. Some requirements are meant to be done at home with adult partners or family. Please review the contents of your Adventure Box as well as this document AND the Den Meeting resources online to better prepare yourself for your den meetings.

Scouts will also need to use their handbooks during each of the following Adventures.

SUGGESTED ADVENTURE ORDER

While your pack and den have plenty of latitude when it comes to your program year, we do have a general recommendation for your schedule of Adventures. Use this as a starting point for your annual program plan and add/edit to fit your own needs and abilities. Remember, the Bobcat Adventure is the first Adventure that your Scouts must earn when the Lion program starts in the fall (there is no summer program for Lions).

August/September – **Bobcat** – Start the Scouting year by ensuring all Scouts complete their Bobcat requirements. This foundational adventure covers the basics of Cub Scouting, including the Scout Oath, Law, and a den Code of Conduct.

September – **Go Fish** – Attend our council fishing day to ensure your Scouts can earn the Go Fish adventure..

September/October/November – **Mountain Lion**, & **Let's Camp** – Consider having your pack camp at McGimsey Scout Park, Mays Family Scout Ranch, or Bear Creek Scout Camp to fulfill several of your **Mountain Lion** & **Let's Camp** requirements.

October – **King of the Jungle** – Engage in community service by participating in the Council Scouting for Food drive. This adventure focuses on citizenship and family involvement. Consider adding **Pick My Path** here so Scouts can stick to the character development theme.

November – **Lion's Roar** – Focus on personal safety and awareness. This is a great opportunity to pair up the **I'll Do It Myself** Adventure as well.

December – **Lion's Pride** – Remind your families that this Adventure is a recommended 'Do at Home' Adventure. Your pack may also have some holiday fun planned for December.

January – **Fun on the Run** – Start the year off right and focus on personal fitness, stick with your healthy eating and fitness routine so you are physically ready for the adventures that await you this year. Add in an elective adventure like **Everyday Tech** and think about how technology influences our everyday lives.

February – There are many elective adventures to choose from, perhaps build on the sportsmanship theme by doing the **On Your Mark** Adventure. Think about showing off your box derby cars in a 'car show' at your Pack's Blue and Gold Banquet.

January/February/March – **Race Time** – Many packs do their Pinewood Derby during this time. Continue the theme of building with **Build It Up, Knock It Down**.

March/April – This is a great opportunity to do some Adventures to prepare for summer. If your Scouts haven't all completed **Mountain Lion**, this is a great time to finish it up. **On a Roll** could be a fun addition to your spring calendar as well.

April/May – **Let's Camp** – Many packs choose to do a family campout in April or May. This is a great opportunity if your Scouts didn't get an opportunity to attend a campout in the fall. Consider working on **Champions for Nature** when you are camping as well. In June you start your next program year and rank!

As you well know, the South Texas weather can be rather unpredictable. Keep the supplies for some of the elective adventures handy. Adventures like **Count on Me**, **Everyday Tech**, **Gizmos and Gadgets**, and **Ready, Set, Grow** can be easily slotted in during bad weather days at a moment's notice.

Remember, the adventures listed above are just a portion of what is available to your Scouts. Be sure to check out all the fun opportunities that are in store for you to create the best year possible for your Scouts.

LION'S PRIDE

<https://www.scouting.org/cub-scout-adventures/lions-pride/>

It is important to know that the BSA has a religious element as a part of the program as stated in the Scout Oath and Scout Law. However, the BSA is absolutely nonsectarian in its attitude toward a member's religion or faith. The BSA policy is that the home and organization or group with which the member is connected shall give definite attention to religious life.

In this Adventure, the Lions learn about their family by exploring the faith traditions and celebrations that make being part of their family special.

This Adventure is commonly done at home with the Cub Scout's family. If it is done as a den, ensure that every parent and guardian is aware of the content and the activities that the den will do and allow for parents to opt out of doing it as a den activity and choose to complete the requirement at home.

We have provided a 'Do At Home Reminder' for this Adventure. Please distribute these reminders to your Scouts.

Requirements:

1. "With your parent or legal guardian talk about your family's faith traditions. Draw a picture of
2. your family's favorite faith tradition holiday or celebration."
