Scouts among the Stars: Of the 312 pilots and scientists selected as astronauts since 1959, at least 207 have been identified as having been Scouts or active in Scouting. Of the 24 men to travel to the moon on the Apollo 8 and Apollo 10 through 17 missions, 20 were Scouts, including 11 of the 12 moonwalkers and all three members of the Apollo 13 crew.

**Time Magazine's 2025 Kid of the Year: 17-year-old Eagle Scout Tejasvi Manoj
from Frisco, Texas**

Sponsored by the San Antonio League of Scouting Alumni (SALSA)
