- During Keep America Beautiful campaign Scouts collected a million tons of trash;
- In 2025 Scouts participated in a conservation project by planting trees at Philmont Scout Ranch after a fire devastated part of the camp;
- Scouts collect millions of pounds of food during the Scouting for Food Campaign;
- Scouts help remember those who lost their lives by placing flags on Memorial Day

### **Safety Moment: Helping Youth Build Resilience**

- Get together with friends and family. Connect to your community.
- Cut yourself some slack.
- Create a hassle-free zone. Make your room a haven, free from stress and anxiety.
- Stick to your routine. Consistency can help reduce stress during difficult times.
- Take control. Take it one step at a time. Turn it off.
- If you are facing a challenging situation, do not bottle it up. If you do not feel comfortable talking about it, journaling or creating art are ways to express yourself.
- Help somebody. When we focus on others, it helps get our minds off our problems. Try volunteering in your community, school, or helping a friend.
- Put things in perspective.
